

Action Taken Report

Ιντερναλ Θυαλιτυ Ασσυρανχε Χελλ

Barbhag College

Academic session 2019-20

The investigation of the feedback forms from teachers and students indicates that they are more or less satisfied with the current curriculum of the affiliated university. In spite of that there are some issues raised in the feedback forms which needs discussion and fruitful steps for the improvement of the teaching-learning environment.

Issues raised in Feedback	Action Taken
Content is not adequate to the syllabus	The College authority requested the affiliating University to initiate such content in the syllabus with become adequate to it.
Equal importance needs to be given on theory and practical	Governing Body has taken a decision to increase the fund for laboratory equipment
Syllabus should be more competitive	To keep pace with the present time the Governing Body of the College requested the affiliating University to introduced such courses which can help the students to face any competitive examination.
