REPORT

Introduction

A one-day Faculty Development Programme on “NAAC Assessment and Accreditation Process of HEIs” was organised by Krishnaguru Adhyatmik Vishvavidyalaya (KAV), a private university recognised by Govt. of Assam in collaboration with IQAC, Barbhag College, a UGC recognised provincialised college under Govt. Of Assam, on 05.05.2022 as part of collaborative activity of the two HEIs who have decided to sign an MoU shortly. The programme was organised as a prelude to the proposed signing of the MoU. The programme was held in the conference hall of Krishnaguru Adhyatmik Vishvavidyalaya, Nasatra.

A total number of 38 participants, all faculty members of Krishnaguru Adhyatmik Vishvavidyalaya, took active part in the programme. Dr. Anupam Dutta, Associate Prof. and Coordinator, IQAC, Barbhag College and Dr. Kishore Kalita, Librarian, Barbhag College were the resource persons for the programme.

Naugural Session

The inaugural session started at 10.45 a.m. with the formal felicitation of the invited guests and resource persons that include Dr. Birinchi Choudhury, Principal, Barbhag College, Dr. Anupam Dutta, Associate Prof. and IQAC Coordinator, Barbhag College and Dr. Kishore Kalita, Librarian, Barbhag College, by the university administration.

The programme was inaugurated by Dr. Kamala Kanta Dutta, Registrar, KAV at 11 a.m. by lighting the ceremonial lamp. Delivering his inaugural speech Dr. Dutta underlined the importance of HEIs to undergo the process of assessment and accreditation by a recognised accrediting agency of higher education. He said that KAV is a relatively new university and is yet to undergo any process of assessment and accreditation by an external agency. It is very important for the university to understand the accreditation process and go for it as early as possible. That will help the university to find the right direction in their effort to ensure quality assurance in the functioning of the university. He thanked the IQAC, Barbhag College for agreeing to their request to apprise the faculty members of the university about the assessment and accreditation process of NAAC. He expressed hope that the programme would help the faculty members who participated in the Faculty Development Programme to understand the quality initiatives that needed to be adopted by the university and would act accordingly in the coming days.

Technical session-I

The first technical session started at 12 p.m.. It was presided over by Dr. Birinchi Choudhury, Principal, Barbhag College. The resource person for the session was Dr. Anupam Dutta, associate Prof. and IQAC Coordinator, Barbhag College. Dr. Dutta gave a structured presentation on the assessment and accreditation process of HEIs by NAAC. In his presentation he nicely put forward the process of how a new HEI can go about the assessment and accreditation process. Right from registering the HEI with NAAC to submission of IIQA, SSR and the process of DVV and Peer Team visit, every detail was explained with appropriate literature and screenshots. He emphasised on the fact that documenting the academic and other related activities is an important exercise for HEIs which wish to go for accreditation process by NAAC. He called upon the faculty members to go through all literature available in NAAC website with regard to quality issues. He also called

upon them to go through the SSR format to have a clear idea of the direction in which the university should work with a view to assuring quality in the institution. Dr. Dutta then explained the SSR formal criterion-wise and Quality Indicator-wise and Matrix-wise. The presentation was followed by a lively interactive session between the resource persons and the participants.

The chair concluded the first technical session with his final remarks on the subject under discussion. He called upon the university administration and the faculty members to work together with Barbhag College for academic development of both the HEIs. The first technical session concluded at 1.30 p.m.

Technical Session-II

The second technical session started at 2.30 p.m. following lunch. The session was presided over by Dr. Kamala Kanta Dutta, Registrar, Krishnaguru Adhyatmik Vishvavidyalaya. The resource person for the session was Dr. Kishore Kalita, Librarian, Barbhag College. In his presentation Dr. Kalita explained to the participants the role of the library in the quality assurance initiatives of HEIs. He said that the library in any HEI is the heart of the institution. So, the library can guide the institution in the academic matters if it functions properly. He explained in detail how the library of an HEI can help in the overall academic progress of the institution. He then gave a well structured presentation on the expectations of NAAC from the library in the assessment and accreditation process.

Dr. Kalita, in his talk, further emphasised the fact that it is important to modernise the library with a view to supporting the students academically. As the library has the responsibility of providing the most important support service to the students, it has to keep itself updated by adopting all contemporary library practices. He said that in this digital era, digitalising the services of the library is essential. Therefore, the university should go for the process of transforming the library from the manual system to the digital system. He called upon the faculty members and the librarian of the university to work consistently towards developing the library, so that it can be one of the most important components in the progress of the university.

The presentation given by Dr. Kishore Kalita was followed by an interactive session. The participants raised a number of queries with regard to the strategies for developing the library and regarding how the library can be modernised within a relatively short time. The resource person responded to the queries to the satisfaction of the participants.

The second technical session concluded with the chair thanking the resource person and the participants for making the session lively and useful. He concluded the session by expressing hope that in the days to come Barbhag College will keep offering their helping hand the efforts of KAV to undergo the assessment and accreditation process by NAAC.

Conclusion

At the end of the programme, certificates of participation were distributed among all the participants. The programme finally concluded with Dr. Mukul Das, a faculty member, proposing vote of thanks to all concerned. The programme came to a conclusion at 4.00 p.m.
