

Action Taken Report on Student's Feedback IQAC Barbhag College 2023-24

The IQAC of Barbhag College has given serious attention to the Feedback System in pursuance of continuous improvement of quality education. In the session 2023-24 only hard copies of questionnaire were distributed among the students and responses were collected. The information generated through this system has been used as an important tool to address major concerns raised by students. The following table summarizes the actions taken against concerns raised by students during the period 2023-24.

Issues raised in Feedback	Action Taken
A significant number more books, academic Journals and a better infrastructure facility in Central library	A GB resolution has been taken to supply a number of relevant books and journals to the students vide GB resolution number 3 dated 10 th august 2023.
Considering the requirement for the better academic atmosphere the need for more ICT tools such as LCD projector, multimedia etc is felt	A GB resolution has been taken to provide necessary ICT tools in the classroom vide GB resolution number 3 dated 10 th august 2023.
Timely announcement of examination results	Governing Body, Barbhag College has sent a proposal to the Gauhati University to announce the results of various examinations timely.
Satisfaction about the Teaching-Learning practices conducted in the institution	MCQ tests among the students on different subjects are conducted time and again to assess the academic capability of the students.

FEEDBACK ANALYSIS REPORT OF STUDENTS Session 2023-24

During the academic session 2023-2024, A structured feedback has been collected from the various stakeholders of Barbhag College. Feedback collected from the Students and Teachers in a specifically designed format reflected their opinions and suggestions regarding academic, co-curricular and infrastructural aspects of the institution. Barbhag College is affiliated to Gauhati University and follows the syllabus prescribed by the university. The College takes resort to a specific feedback system for various stakeholder's feedback analysis. The IQAC of Barbhag College prepared a well-designed questionnaire where both teachers and students give response to the strength and weakness of the curriculum.

Process of Feedback Collection:

- Students: Student's feedback is taken during final semester classes through online Google Form. Privacy was maintained while collecting the responses of the questionnaire. The response of the Google form were analyzed by a team of faculty appointed by IQAC.

Details of Analysis of Feedback

During the academic session 2023-24 a total number of 228 students were studying in the final semester classes of BA and BSc programme and the feedback form on syllabus and its transaction has been circulated online through Google Form to the student out of which 52.19 percent responded to it that is 119 feedback forms on curriculum submitted and the basis of the response given by students it has come to light that most of the students express satisfaction at the syllabus of the Gauhati University. In comparison with the academic session 2023-24 there is a significant improvement in the case of response to the feedback system by the students. During this academic session it has become obvious that 27 percent of students responded to the feedback. The following table and graphical representation shows how the students responded to the questionnaire.

Any Suggestions

32 responses

Need modifications to make it more time relevant

Distribution of courses among different papers and semesters is not even

Syllabus is not covered some important topics. So try to covered it.

Availability of books in the syllabus is very poor. Steps must be taken in this regard

1.Reference books should be made available to students.

2. Syllabus should be job oriented so that the students become self-reliant.

Practice teaching class should be introduced.

Syllabus should be job oriented

I think some important (basic) topics are not contained in the syllabus.

Translated western literary work may be add to the syllabus.

Regional issues should be incorporated.

The syllabus should be more job oriented.

The future plan for making syllabus will be more relevant to the students which help them to fulfill their goals.

Content of the syllabus should be distinctly mentioned.

Atleast one paper of geophysics should be included

Some practical subjects like musiology, archeology, tourism and social work may be included.

The curriculum should be job oriented

Importance should be given to developing language skills of students

The curriculum need further reforms keeping in mind the NEP 2020

Syllabus needs to be updated keeping in view the need of the hour and the course needs to be designed in such a way that it can break the monotony of the students

Improved it in future.

Local dialect/Culture should include in syllabus

May include some skill based content to the syllabus which makes the student skillful.

Syllabus should be job oriented

The syllabus should be job oriented. Coordination between theory and practical of the syllabus should be enhanced .

The syllabus should be job oriented. The syllabus should cover practical classes based on chemical industry. As adequate time is not found due to cover the whole syllabus due to different factors ,so syllabus should be reduced for each semester.

Thanks

Syllabi have to be job oriented. 2. Not sufficient books published covering the syllabi. 3. University should take necessary step for publishing the relevant books before introduce the new syllabus.

Develop the job oriented course.

Need more job oriented syllabus

Need to improve the syllabus

Examination of each semester should be conducted after 5 months from starting of the classes.

syllabus need to improve for more job oriented so that one can be self dependent after their degree
