Objectives of the Programme:	<ul style="list-style-type: none">To create general awareness and concern among students regarding environment degradation.To develop critical thinking and strategies regarding the protection of environment.
Minutes:	On the occasion of World Environment Day

	<p>2023, Nature Club Barbhag College organized an awareness programme at Barbhag College in collaboration with Gramya Vikash Mancha, a leading NGO in the North East. The programme started with the planting of trees by the Principal of Barbhag college. This year, the college premises were planted various spice trees. Then, the students launched a plastic disposal campaign in the college premises.</p> <p>This year the theme of World Environment Day is " Beat plastic pollution ". It is worth mentioning that Nature Club Barbhag College has been implementing several effective programmes to prevent plastic pollution in the last few years. So, we included an awareness talk on Save Power - Save Money -Save Earth.</p> <p>The awareness talk started at 11-30 am. Dr. Dhaneswar Baishya, Associate Professor of the Department of Political Science of Barbhag College conducted the talk as a chairperson. The welcome speech was delivered by Dr. Birinchi Chowdhury, Principal, Barbhag College. Dr. Chowdhury explained the objectives and significance of World Environment Day. He welcomed the organizers Nature Club and Gramya Vikash Mancha. Shri Prithi Bhushan Deka, Director of GVM and Shri Prafulla Deka, the President of Barbhag College Governing Body also attended as special guest.</p> <p>Afterwards, the Chairperson requested Dr. Devajit Mahanta to deliver above mentioned topic. Dr. Mahanta briefly explaining the significance and objectives of World Environment Day to the students. He presented Beat Plastic and several effective ways to prevent plastic pollution. He urged all the participants to renew the habit of carrying their bags when going to the market. He said plastic is covering the whole world. If the world is not aware of plastic pollution today, the world will suffer the consequences in the near future.</p> <p>He then presented an objective analysis on the topics of Save Electricity, Save Money and</p>
--	--

	<p>Save the Earth. He said electricity is being consumed unnecessarily in India. Due to our lack of awareness, we have to pay more for the household bill. Addressing the students in particular, he said that we must give up the bad habit of not turning off the light switches. Because we are not aware, our schools , colleges, government offices etc. are spending electricity unnecessarily. Fan and lights are running or burning in government offices even at night. These bad habits must be abandoned. This is the call of the times.</p> <p>After Dr. Mahanta's speech, Nature Club Secretary Biplab Deka delivered a vote of thanks. After the vote of thanks, Chairperson Dr. Dhaneswar Baishya gave some simple and effective suggestions on how to save plastic pollution and electricity. Then he concluded the meeting by expressing his sincere thanks and gratitude to Nature Club Barbhag College and GVM for organizing the awareness talk.</p>
Outcome:	<ol style="list-style-type: none"> 1. Better understanding of the environment and its components. 2. Understanding of the human activities that deteriorated environment. 3. Understanding of the strategies to protect the environment.

4. **Resource Persons/ Guests/Speakers:** Simanta Borah (DTO Nalbari), Rakesh Barman (AE, PWRD, Nalbari), Jayanta Deuri, (MVI, Nalbari)
5. **Objectives of the programme:** to promote responsible driving behaviour, reduce accidents and fatalities, educating the public about traffic rules, emphasizing the importance of seat belt usages, discouraging speeding and fostering a general culture of road safety to create safer road environments.

6. A brief proceeding of the programme:

An awareness programme on road safety is organised today i.e. on 22.10.2023 at Barbahg College conference hall. It is organised by District Transport Office, Nalbari in collaboration with IQAC, Barbhag College and Red Ribbon Club, Barbhag College. The aim of the programme is to create awareness among the students as well as the teaching and non-teaching staff of the college about road safety.

The programme coordinator Sanchayita Khakhlary, started the programme at 10.00 am with felicitation to the guests present in the programme. Then the principal of Barbhag College, Dr Brinchi Choudhury started giving his introductory speech. After the introductory speech, the programme coordinator Sanchayita Khakhlary presented the objective of the awareness programme which includes educating the community on road safety rules and best practices, raising awareness about the consequences of road accidents and promoting responsible driving. First Mr Simanta Borah, District Transport Officer (DTO), Nalbari started giving his lecture through welcoming all the attendees to the awareness programme on road safety. He emphasized the importance of road safety and thanked IQAC and Barbhag College and Red Ribbon Club for their collaboration. After Borah, other speakers present viz, Rakesh Barman (AE, PWRD, Nalbari), Jayanta Deuri, (MVI, Nalbari) started delivering their lecture on road safety.

A series of presentations and discussions followed with Rakesh Barman from the Public Works Road Department (PWRD) in Nalbari covering topics such as traffic rules and regulations, safe driving practices, the role of education in reducing road accidents, emergency response and first aid. Jayanta Deuri, a Motor Vehicle Inspector (MVI) in Nalbari spoke about the importance of seat belts and helmets. Moreover, Mr Deuri, discussed the Red Ribbon's Club's Role in promoting road safety awareness among college students and the community. He also shared plans for future initiatives including workshops, awareness campaigns and collaboration with local law enforcement.

The meeting concluded with a round of questions and answers where faculty members and students shared their thoughts and ideas for promoting road safety. Simanta Borah expressed gratitude to all the participants for their active involvement and encouraged them to spread the message of road safety in their communities.

A total of 148 participants are there in the programme. The programme ended at 12.30 pm with the vote of thanks by Sanchayita Khakhlary to each and everyone for their active participation and contributions to the road safety awareness programme.

7. Outcome of the programme: Makes each and everyone present aware about various road safety measures.

A REPORT ON AWARENESS PROGRAMME TO CELEBRATE ECO-FRIENDLY DEWALI

1. Name of the Programme Coordinator	Dr Biplab Deka, Associate Professor, Dept of Assamese, Barbhag College
2. Title of the programme	Let's Not Forget Our Nature Celebrate An Eco-friendly Dewali.
3. Date of the programme	12 th Nov, 2023
4. Venue of the Programme	Barbhag College
5. Organised by	
6. Objectives of the programme	To inspire individuals and communities to come together to celebrate Diwali in a way that preserves the environment for future generations. By embracing eco-friendly practices, reducing pollution, and fostering a culture of sustainability, this initiative aims to create a Diwali that is not only joyful but also responsible and mindful of the planet.
7. A brief proceeding of the Programme:	Nature Club,Barbhag College organized an awareness programme on 12 th Nov,2023 to promote eco-friendly Diwali celebrations, under the theme " <i>Let's Not Forget Our Nature – Celebrate An Eco-friendly Diwali.</i> " The programme aimed to educate students and faculty about the environmental impact of traditional Diwali celebrations, especially the use of firecrackers, and to encourage sustainable alternatives. With rising concerns about air pollution, noise pollution, and waste generation during Diwali, the initiative sought to inspire responsible and greener ways to celebrate the festival of lights. More than 2000 leaflets of advisory appeals on " <i>Let's Not Forget Our Nature – Celebrate An Eco-friendly Diwali</i> " were distributed among the students of Barbhag College.
8. Outcome of the programme:	The program raises awareness about the environmental impact of Diwali and promotes eco-conscious behaviors, making the festival more sustainable in future years.It fosters a sense of community, as people come together to celebrate in a responsible and mindful way, with many participating in clean-up drives and eco-friendly activities.
